SAKE

Sake refers to Japan's rice wine. Rice is fermented to make sake. It can also be distilled and is called shochu. Sake can be chosen by type: filtered (clear), unfiltered (nigori), unpasteurized (nama) or genshu (cask strength, not watered down). You can also select by price. Less expensive sake are simple and straightforward. More expensive sake tends to be richer and more complex. Please drink responsibly and enjoy.
